Play the part

# What is an Elite player at DSC?

DSC Elite Football Academy is developing an elite squad to compete against other academies and professional football clubs.

To compliment the technical coaching sessions every Friday, it is essential that players can implement these skills within a full sized pitch and in a competitive situation. The training, combined with being coached through game related phases of play will allow them to further develop their positional understanding and decision making to perform against high quality opposition.

The squads will be assembled in all age groups from U6 to U12+ and we will be holding a special training night to coach the selected players in their teams.

## Believe it AND Achieve it

Understand what it takes

Stay motivated

Discover that inner confidence

Master the ball

Get football fit

Develop your tactical awareness

Play as a team

# Join the DSC Elite squad
